COLLABORATIVE LEARNING PLATFORM – REPORT

Name of the Organization : Ui-Path
Date of Establishment : 05-10-2021
In charge Details
Faculty Coordinators : Dr.L.JABASHEELA
PROFESSOR & HEAD - CSE
Dr.P.J.SATHISH KUMAR
PROFESSOR - CSE

Ui Path Student Developer Champion: Ms. Shahanaaz S – (2023 - Present) – III CSE C
Ms. Vijayalakshmi S – (2022 - 2023) – III CSE C

Objective:

The **UiPath** offers a vibrant platform for students to explore and excel in **Robotic Process Automation (RPA)**. Through our **Academic Alliance** with **UiPath**, established in **2021**, we aim to expand the RPA knowledge ecosystem by equipping members with advanced skills and practical experience. Our focus on hands-on training, industrial exposure, and career development ensures that students are prepared for leadership roles in automation. By providing access to valuable resources, certifications, and workshops, we empower members to drive automation initiatives and thrive in a tech-driven future

ACADEMIC ALLIANCE WITH UiPath

Panimalar Engineering College established an **Academic Alliance with UiPath** in **2021**, providing students with cutting-edge training in **Robotic Process Automation (RPA)**. This partnership enables the college to offer a curriculum aligned with industry standards, equipping students with essential automation skills to meet the growing demands of the tech industry.

The program includes access to **UiPath's learning resources**, practical workshops, and the opportunity to earn the **UiPath Academy Certificates**, which enhances students' career prospects. By integrating the latest **RPA technologies** into the academic framework, we ensure that students are well-prepared for leadership roles in the automation sector.

This alliance reflects our commitment to delivering a **future-ready education** that aligns with technological advancements, fostering innovation and ensuring graduates are well-positioned to excel in the modern workforce.

We seek an automated and fully employed world!

UiPath is proud to recognize our educational alliance with

Panimalar Engineering College

Tamil Nadu India

for collaboration on growing the Robotic Process Automation (RPA)
knowledge ecosystem.

2. UiPath STUDENT DEVELOPER CHAMPION

Our college has made significant strides in the field of Robotic Process Automation (RPA). Shahanaaz, a 3rd-year CSE student, was selected as the UiPath Student Developer Champion, being one of 100 individuals chosen from over 1000+ nominations across 13 countries. This recognition underscores the college's active involvement in automation initiatives and highlights our contributions to the growing RPA community. Additionally, Shahanaaz has earned the title of "Rockstar Champion" for the months of March and August, further emphasizing the college's role in promoting RPA excellence.

3. UiPath COMMUNITY AWARD

The student coordinators participated in the SDC Summit, where UiPath Student Developer Champions (SDCs) from across India showcased their projects and initiatives. Our college was recognized as one of the top three best-performing colleges by UiPath, reflecting our consistent contributions toward the field of RPA. This recognition was the result of various events, workshops, and collaborative projects conducted throughout the year, empowering students and facilitating valuable connections with industry professionals. Through hands-on training sessions, inter-college hackathons, and seminars with experts, we have enhanced our students' understanding of real-world applications in automation technologies, solidifying our presence in the RPA community.
