Memorandum of Understanding

This Memorandum of Understanding ("MOU") is made on Jan 19 2023 15:38 ("Effective Date") and entered into between Zoho Corporation Private Limited, having its principal place of business at 140 & 151, GST Road, Vallancherri Village, Guduvanchery, Chengalpattu - 603202 ("Zoho") and Panimalar Group of Institutions, principally located at No.391, Bangalore Trunk Road, Poonamallee, Varadarajapuram, Tamil Nadu 600 123 ("Educational Institution").

Both Zoho and the Educational Institution shall hereinafter be referred to individually as 'Party' and collectively as 'Parties'.

WHEREAS

- I. Zoho is into the business of developing, marketing and selling its proprietary cloud software.
- II. Zoho has launched the 'Young Creator Program', an initiative through which Zoho desires to collaborate with educational institutions and skill development institutions to empower students and young aspirants on building enterprise grade applications using 'Zoho Creator'.
- III. Educational Institution has expressed its interest for participating in the Young Creator Program for the benefit of its students.
- IV. Parties are entering into this MOU to set forth the terms and conditions for the aforementioned engagement.

NOWHEREFORE, parties mutually agree as follows:

1. Zoho's Role

- 1.1. Zoho will provide online or physical training to students of Educational Institutions who have registered for the Young Creator Program ("Registered Students") on application development.
- 1.2. In the course of training under the Young Creator Program, Zoho will provide free student edition license for 'Zoho Creator' to each Registered Student.
- 1.3. Zoho will provide training materials on application development created by Zoho to each Registered Student that can be used by Registered Students in connection with the individual Registered Student's reference during training under the Young Creator program and for reference thereafter.
- 1.4. For each Registered Student who has successfully completed the training

under the Young Creator Program, Zoho will provide a training completion certificate.

- 1.5. Zoho may conduct appathons for educational institutions and reward the winners of such events ("Appathons"). Registered Students who have completed training and have obtained completion certificate may participate in Appathons.

2. Educational Institution's Role

- 2.1. The Educational Institution shall provide sufficient classrooms and other amenities required that are suitable for delivering training.
- 2.2. The Educational Institution understands that it shall be responsible to ensure that all Registered Students have access to computer systems during training.
- 2.3. The Educational Institution shall nominate a co-ordinator as a point of contact for Zoho for discussions related to training such as date and time of each training session, mode of training etc., and for proper operation of the MOU.
- 2.4. The Educational Institution shall ensure that the infrastructure and facilities specified herein are made available throughout the training period under the Young Creator Program.

3. Co-operation of Parties

- 3.1. Details of the Young Creator Program such as duration of training, nature of assessment, certifying process etc., will be determined mutually by both the parties.
- 3.2. Each party authorizes the other party to make public releases and announcements with respect to the Young Creator Program and purpose of this Agreement.
- 3.3. Zoho hereby agrees to cooperate with Educational Institutions by offering internship or freelancing opportunities to Registered Students subject to the availability of internship or freelancing opportunities and the Registered Student satisfying the requirements for such opportunities.

4. Trademarks

- 4.1. Zoho hereby grants the Educational Institution a non-exclusive, non-transferable license, without the right to sub-license, to use or display the Zoho trademark including the name Zoho and Zoho logo on Educational Institution's website, press releases and other publicity materials; provided that any use of the Zoho trademark including the name and logo must be made in accordance

OUTCOMES:

- Students learn to use Zoho Creator, a low-code platform, gaining valuable app development skills.
- Upon completing the program, participants receive certificates, which can enhance their resumes.
- Students compete in app development challenges, applying their knowledge to real-world problems, and stand a chance to win prizes.
- This program connects students with Zoho partners, opening up potential internships and job prospects.

The ZOHO YCP empowers students to build innovative solutions and gain credentials that improve their career prospects in tech fields.
