Manuscript Number: COMPELECENG-D-23-03536
Robust fuzzy logic schemes for cooperative spectrum sharing in 5G networks with uncertain channel conditions
Dear Dr Kumar,
Thank you for reviewing the above referenced manuscript. I greatly appreciate your contribution and time, which not only assisted me in reaching my decision, but also enables the author(s) to disseminate their work at the highest possible quality. Without the dedication of reviewers like you, it would be impossible to manage an efficient peer review process and maintain the high standards necessary for a successful journal.
I hope that you will consider Computers and Electrical Engineering as a potential journal for your own submissions in the future.
As a token of appreciation, we would like to provide you with a review recognition certificate on Elsevier Reviewer Hub (<reviewerhub.elsevier.com>). Through the Elsevier Reviewer Hub, you can also keep track of all your reviewing activities for this and other Elsevier journals on Editorial Manager.
If you have not yet activated your 30 day complimentary access to ScienceDirect and Scopus, you can still do so via the [Rewards] section of your profile in Reviewer Hub (<reviewerhub.elsevier.com>). You can always claim your 30-day access period later, however, please be aware that the access link will expire six months after you have accepted to review.
Kind regards,
Kannan Arputhang
Managing Guest Editor
Computers and Electrical Engineering
More information and support
You will find guidance and support on reviewing, as well as information including details of how Elsevier recognizes reviewers, on Elsevier's Reviewer Hub: <https://www.elsevier.com/reviewers>

Sir/Madam,
Happy to announce that your proposal to conduct ATAL Technical FDP in the Academic year 2023-24 has been accepted by the competent authority after the due screening process.
You are requested to submit details as per the Google Form latest by 22.09.23 (Friday) by 4:00 PM, in the following link.
<https://forms.gle/dhJt4YxLkajhvVYa7>
Please find attached herewith the bank Mandate Form, which has to be uploaded in the google form after duly updating with signature of the Head of Institute (HoI) and counter verified by the respective bank.
Please make a note that the Technical FDPs are to be conducted for **SIX Days**. Your brochure and programme schedule should follow the model of Technical FDP format (Basic/Advance/Leadership as applicable). Any deviation from the proposed model programme schedule would make your proposal ineligible for financial support & recognition from AICTE. It may also be noted that the programme should be free of cost for participants & should mandatorily follow the scheme guidelines as published in the ATAL Webpage for AY 2023-24.
Any queries regarding conduct of FDPs & submission of documents be made to atalouth@aicte-india.org. Queries on portal related issues can be sent to itc2tb@aicte-india.org.
Note- Queries forwarded to any other e-mail IDs, will not be entertained.
Regards
Atal South Region
Training and Learning Bureau
All India Council for Technical Education (AICTE),
Nelson Mandela Marg, Vasant Kunj
